

Corporate Support of the Mariposa Trust

The Mariposa Trust relies on donations to operate, and support from Companies and Organisations is critical to the long term aims, objectives and planning of the Trust. There are a number of ways in which companies can give, and below you will find these options explained.

Corporate Support Options:

- 1. Corporate Donation** - The first option is a straight financial gift to the Mariposa Trust. This obviously has tax benefits for you, which your accountant/financial director will be able to maximise for you.
- 2. Donation in Kind** - If your business is able to offer services or products free to the Trust, we will happily discuss this with you. Additionally if you have products or services that could be used in auctions to raise funds, please contact us.
- 3. Corporate & Social Responsibility** - A big part of corporate structure now is the emergence of the Corporate & Social Responsibility or CSR policy, which outlines your interaction with society/community/the environment. How you choose to interact is different for each business, but often it can involve your staff in volunteering or running fundraising events to raise funds for a chosen charity. If you would like to choose the Mariposa Trust, we will happily discuss some options for fundraising events or other ways you could support.
- 4. Workplace or Payroll Giving** - This is an easy way of giving a regular donation to the Trust. It comes out of your pay before tax is deducted meaning the full amount come to the Trust, and so if you gift aid the donation (depending on the rate of tax you pay), your gift can grow considerably, and can in fact be doubled. If you would like to find out more, please contact the team by emailing finance@sayinggoodbye.org
